MISSION & VISION

DVK GLOBAL

Our Mission

To provide independent, transparent, and professional insurance survey and loss assessment services that protect the interests of both insurers and insured. We are committed to delivering accurate, fair, and timely assessments through technical expertise, ethical practices, and industry knowledge.

By continuously enhancing our capabilities and adopting modern technologies, we strive to provide reliable solutions across Fire, Engineering, Marine Cargo, Motor, and Miscellaneous insurance sectors while building lasting relationships founded on trust, integrity, and excellence.

Our Vision

To become one of India's most trusted Insurance Surveyor and Loss Assessor organizations with a strong Pan India presence and a growing international footprint.

We aspire to create opportunities for young professionals by nurturing technical excellence, ethical leadership, and innovation, while delivering world-class insurance surveying and risk assessment services that contribute to a stronger global insurance ecosystem.

CORE VALUES

DVK GLOBAL

Our business stands on seven core values. They guide every survey, investigation, and loss assessment we execute across all lines of insurance.

 INTEGRITY

We uphold the highest ethical standards, ensuring impartiality, transparency, and fairness in every assignment.

 EXCELLENCE

We pursue the highest standards of technical quality, professionalism, and continuous improvement.

 ACCURACY

Every assessment is supported by detailed investigation, technical expertise, and factual evidence.

 TIMELINESS

We deliver prompt and dependable services to facilitate faster claim settlements.

 INNOVATION

We leverage modern technology, digital tools, and evolving industry practices to improve efficiency and service quality.

 PEOPLE DEVELOPMENT

We invest in developing talented professionals and creating future leaders in the insurance surveying industry.

 CLIENT PARTNERSHIP

We build lasting relationships through trust, responsiveness, and consistent service excellence.

ABOUT US & STRENGTHS

DVK GLOBAL

About Us

Established in 2018, our company has evolved from a regional insurance surveying firm into a growing organization with ambitions to serve clients across India and international markets.

Guided by a team of highly experienced directors, each possessing over 15 years of expertise in handling small, medium, and high-value claims, we provide comprehensive insurance survey and loss assessment services across Fire, Engineering, Marine Cargo, Motor, and Miscellaneous lines of business.

With the addition of specialized departments and experienced professionals, we are expanding our operations into major cities across India while maintaining our commitment to independence, transparency, technical excellence, and timely service.

Our long-term objective is to become a trusted partner for insurers, brokers, corporates, financial institutions, and insured clients by delivering accurate, unbiased, and professional claim assessment services that meet the highest industry standards.
